International Aid league table finds best giving opportunities

Civil Society's Fundraising section printed this article announcing GiveWell's recognition of IPA as a standout organization:

"Other charities recognised as 'standout organisations' include [GiveDirectly](#) which offers a method to send money directly to the poor, and [Innovations for Poverty Action](#), which carries out research on aid primarily in the developing world and advocates its use in decision-making. [KIPP Houston](#), [Nyaya Health](#), [Pratham](#) and the [Small Enterprise Foundation](#) are also recognised as standout organisations this year."
