Microcredit Summit Campaign: State of the Campaign Report Launch Event

On June 19th, 2014, the Microcredit Summit Campaign hosted an event to launch its report, Resilience: The State of the Microcredit Summit Campaign. The report tracks microcredit inclusion and highlights strategies and value-added services to extend the reach and impact of MFIs. Aaron Dibner-Dunlap, Program Manager for the Financial Inclusion Program, participated in a panel where he discussed recent evidence on the impact of microcredit and microsavings programs. More details available on the event webpage.
