IPA Myanmar Leads Introduction to Program Evaluation Training

IPA Myanmar led an intensive one-day “Introduction to Program Evaluation” training with government officials in Nay Pyi Taw, Myanmar, on October 26th. The seminar covered the following topics: theory of change, experimental and quasi-experimental methods, and a case study on a maternal and child cash transfers Randomized Controlled Trial in Myanmar. IPA Myanmar thanks the IPA Philippines team (specifically, [Nassreena Sampaco-Baddiri](#), [Peter Srouji](#), and [Riza Teresita Halili](#)) who organized and led the training.
