

Bangladesh SME Event Featured in Local Media

In December, IPA Bangladesh and the Access to Information (a2i) Program of the Prime Minister's Office co-hosted an [Evidence Dialogue on SME Development in Bangladesh](#). The event was widely covered by the Bangladesh media. The *Daily Sun* summarized the discussions at the event:

The speakers noted that effective research on SME development can play a vital role in Bangladesh's economic development and poverty alleviation. Expansion of SMEs would contribute to Bangladesh's efforts to become a middle-income country by 2021 through creating new jobs, they observed.
