IPA and J-PAL Present Workshop in Mali on Citizen Participation and Accountability in Elections

On October 16, 2019, Marius Chabi, Country Director of IPA's Francophone West Africa office, and Adil Ababou, Policy Manager from J-PAL, co-organized a workshop sharing evidence about citizen participation and accountability in elections. Various officials participated in the workshop, including the representative from the Delegate General for Elections, the General Directorate of Local Authorities, Ministry of Finance, the National Agency for Investment in Territorial Communities, and the German Development Bank.
