myRepublica Covers the Nepal Mask Campaign

"Everybody has a mask these days, but some carry it in their hands, some in their pockets and some hang it on their chin" explained Chiribabu Maharjan, mayor of Lalitpur Metropolitan City in Nepal in *myRepublica*'s coverage of the launch of a campaign in the country to encourage mask use, part of a scale-up of IPA's research with partners on how to NORMALize mask-wearing in Bangladesh.
