

Now Open: SME Competitive Research Fund

The Small and Medium Enterprise (SME) Program at IPA is pleased to announce the 10th round of applications to its Competitive Research Fund on Entrepreneurship and SME Growth. The goal of this fund is to support innovative research that is in line with the Program's objective to build a body of evidence on the effectiveness of programs and policies that promote SME growth. Funding will be allocated competitively to projects that address innovative research questions, use rigorous methods, and have the utmost policy relevance in the areas outlined below.

Update: Submissions are now closed.
