IPA Founder Dean Karlan Presents to Peru's Financial Regulator on Nudges for Savings

During the week of March 25, Dean Karlan presented to decision-makers at an event focused on savings in Lima, Peru. The event was one of several hosted by Peru's Superintendencia de Banca, Seguros, y AFP (SBS) during World Savings Week. Karlan presented global evidence on nudges for financial health and improved savings product design and also participated in a panel discussing the savings behavior of young people.

SBS organized the event as part of Child and Youth Finance International (CYFI)'s World Savings Week, which aims to promote saving and money management among children and young people as well as adults.
