# IPA Zambia and Ministry of Education to Hold Joint Sector Review

IPA Zambia has been assisting the Ministry of General Education in planning for the 2020 Joint Sector Review (JSR) which is scheduled to be held between July 14-16, 2020. The JSR will be the first since 2017 and IPA's role is key in ensuring that it meets the expectations of the partners. In this regard, IPA's role includes developing research tools for the JSR research theme, Delivering Alternative Education; and training MoGE staff and partners on data collection, data analysis, and report analysis. IPA is also assisting in the planning of the meeting and sharing best practices on conducting virtual meetings with its partners. [Tamara Billima](#) and [Allan Albert Lalisan](#) have been the key IPA staff in these efforts.
