IPA Myanmar Co-Hosts Lecture on Solar Energy

On July 23, IPA Myanmar co-hosted an online public lecture with Canada's International Development Research Centre (IDRC), the South Asian Network for Development and Environmental Economics (SANDEE), Duke University, and Yangon University of Economics. The lecture entitled, "Surge in Solar-powered Homes: Lessons for Myanmar" was led by Dr. AK Enamul Haque (East-West University Professor and SANDEE Fellow/Advisor) as part of a [workshop on Environmental and Natural Resource Economics](#) from July 23 -27.
