In Project Syndicate, the Ultrapoor Graduation Model and What's Needed Now

BRAC's Lindsay Coates & J-PAL's John Floretta reflect in *Project Syndicate* on the need for evidence-based poverty solutions in the time of COVID-19. The article cites IPA's research on Ultra-Poor Graduation programs in Ghana, Honduras, India, Pakistan, and Peru. Following the six-country randomized controlled trials, the evaluation is being scaled to reach millions around the world.
