IPA Presents at Economic Inclusion Global Learning Event

Several speakers linked to IPA presented at the Partnership for Economic Inclusion and World Bank Group's 2021 Global Learning Event from April 27-29. On April 27, [Abhijit Banerjee](#) and a diverse set of panelists kicked off the event in a global broadcast on scaling up economic inclusion through national programs, policies, and strategies. On April 28, [Dean Karlan](#) and [Patrick Premand](#) spoke on a panel on emerging evidence and [Kathleen Beegle](#) moderated a panel about addressing economic inequality among women. And researcher [Angela Ofori-Atta](#) presented [an updated version of a presentation](#) of her work studying mental health in Ghana. To learn more, see the PEI and WBG's event page [here](#).
