New anticorruption evaluation?

Courtesy of the Wronging Rights blog

(<http://wrongingrights.blogspot.com/2009/07/using-metaphors-to-solve-worlds.html>), here
(http://blog.foreignpolicy.com/posts/2009/07/01/new_anticorruption_device_pocketless_pants)
is one of the more peculiar interventions that would be ripe for a randomized controlled trial.
Maybe IPA could partner with local seamstresses...
